Profit Warning for the fourth quarter and financial year ended 31 December 2018

The Board of Directors (the “**Board**”) of **Asiaphos Limited** (the “**Company**”) and together with its subsidiaries, the “**Group**”) wishes to announce that based on the currently available preliminary assessment of the draft unaudited consolidated financial results for the Group’s fourth quarter ended 31 December 2018 (“**4Q2018**”), the Group is expected to report a higher net loss for 4Q2018 and for the financial year ended 31 December 2018 compared to the 4Q2017 and year ended 31 December 2017.

The main reasons for the higher loss were due to lower revenues and the recognition of impairment losses on its property, plant and equipment at its factory.

The above guidance is based on a preliminary assessment made by the Company. The Company is in the process of finalising the Group’s unaudited results for 4Q2018 which will be announced on or before 1 March 2019.

In the meantime, shareholders and investors are advised to exercise caution when dealing in the Company’s shares. When in doubt, shareholders and potential investors are advised to seek independent advice from their professional advisors before trading or making any investment decision on the Company’s securities.
